Outdoor multimedia platform

The Maya model was designed specially for outdoor applications.

This model can be manufactured in stainless steel or painted steel (available in all RAL colors) using steel plate of 1,5mm to 2,5mm which ensures the stability and rigidity of the all structure.

This Kiosk is designed specially for multimedia advertising purposes and support large displays (32" to 108").

The two sides of the kiosk are designed so that there is a great versatility.

**Optional - 2 large advertising displays, one in each side / 1 large advertising display and 1 interactive display in other side.**

The area where the PC will be installed has security locks, general switch and is easily detachable, leaving enough space for the installation and access to a minitower PC.

On the side of the monitor are two speakers and the kiosk has 2 independent systems of ventilation, one for the monitor and other for the PC.

The Maya is normally equipped with a Atom CPU with a 160 GB hard drive, 1 Gb Ram Memory, a 128Mb graphic card and a 10/100 mb ethernet, Windows 7 Starter.

This kiosk can be produced with glass protection (top and 2 laterals) for outdoor environments.

## Technical Specifications Maya Kiosk

Dimensions: H2150 x W1400 x D250  
Weight: aprox. 150 Kg.
